

32 HOUR RIGGING SUPERVISOR

We are offering the following NYC Department of Building approved class at the Local 580 Training Facility.

ALL CLASSES OFFERED ARE FOR LOCAL 580 MEMBERS ONLY!

- Course Description:** The Department of Buildings requires a supervisor to supervise the hoisting or lowering of material on the outside of a building with hoisting equipment. To be a supervisor, you must complete a 32 hour rigging class. This class will identify lifting points, rigging based on loading, inspections, load dynamics, and associated hazards. You will receive a DOB approved photo ID certification if you pass a two-part test. You must demonstrate hands on activities related to rigging and a 75 question multiple choice test. This certification expires every 4 years.
